Long Synopsis

A half hour animated film based on the classic picture book written by Julia Donaldson and illustrated by Axel Scheffler, *The Gruffalo* tells the magical tale of a mouse who takes a walk through the woods in search of a nut. Encountering three predators who all wish to eat him - a fox, an owl and a snake - the plucky mouse has to use his wits to survive. He announces that he is meeting a monster with terrible features, a 'Gruffalo', and the three predators are each panicked into running away.

Mouse is now increasingly confident. There is nothing that can touch him in these woods. Until he rounds a corner and comes face to face with the terrible product of his imagination: the Gruffalo itself. Once again Mouse has to dig deep to escape the danger. Finally he finds a nut, and can eat it in peace.
